## 2026 SAT/ACT Math Summer Camp

**This intensive SAT/ACT Math Camp helps students master essential concepts, formulas, and theorems from the College Board curriculum. With a strong emphasis on realistic mock test experience, students will improve speed, accuracy, and effective test-taking strategies. Through focused, high-intensity training, students build confidence and develop the skills needed to perform at their best on test day and achieve top scores on the SAT and ACT math sections.**

**Time:** MTWTH 10:30am - 12:20pm 07/06 - 07/16
